

PORTABLE EXTINGUISHER

FIPRON EXTINGUISHER

A universal foam fire extinguisher (2 L / 6 L) for solids, liquids, fats, metals and lithium-ion fires.

KEY BENEFITS

FRS EXcellent 1 premix - PFAS-free, EU-certified

Certified Class A, B & F; tested C, D & Li-ion

Extinguishes lithium-ion battery fires

Usable on live equipment up to 1000 V

Works from -15 C; manufactured to EN 3-7

Safe for humans and environment - non-toxic

MODELS & RATINGS

FRSE-F2	2 L foam - 8A 55B 75F, up to 400 V
FRSE-F6	6 L foam - 34A 183B 75F, up to 1000 V
Agent	FRS EXcellent 1 (100% premix)
Standard	EN 3-7+A1:2008 - ISO 9001 - CE

The Fipron Universal Fire Extinguisher is a foam extinguisher charged with FRS EXcellent 1, a PFAS-free premix that tackles a remarkably wide range of fires - including lithium-ion batteries and live electrical equipment - from a single unit.

HOW IT WORKS

Pull the safety pin and direct the nozzle at the base of the fire. The foam blankets and cools the fuel, sealing the surface against oxygen and preventing re-ignition. The wetting agent penetrates solids and Li-ion cells, while the formula stays safe to use on equipment energised up to 1000 V.

WHERE TO USE IT

Offices, workshops, server rooms, EV charging areas, kitchens, vehicles and homes - one unit covering solids, liquids, fats, metals and battery fires.

AT A GLANCE

Agent	FRS EXcellent 1 premix
Capacity	2 L (F2) / 6 L (F6)
Propellant	Nitrogen (N ₂)
Live equipment	up to 1000 V
Working temp.	-15 °C to +60 °C
Standard / cert.	EN 3-7+A1:2008

EN 3-7+A1:2008
Certified A - B - F

PFAS-free formula
FRS EXcellent 1 premix

Made in EU - ISO 9001
CE-marked production
